

Instruction manual for Babymat / Crawling mat

Product Note

You have purchased a high-quality, soft and shock-absorbing crawling mat for babies and toddlers. It is ideal for crawling, playing, sitting and romping on all surfaces. It also provides reliable protection against cold and hard floors. In order to enjoy it for a long time and to protect any warranty claims, please note the following information.

Security

The mat may only be used on firm, level and dry surfaces. There is a risk of slipping on damp surfaces. Do not store or use the baby mat near naked flames or sources of intense heat.

Preparation

The mat may have a slight material smell when unpacked. This is harmless and usually evaporates after a few days in the air.

Care instructions

Use lukewarm water and mild soap to cleaning. The mat can be washed in the washing machine at up to 60°C. Do not use fabric softener and do not put the mat in the tumble dryer.

Composition

Polyester glass yarn fabric, coated on both sides with special PVC paste.

The crawling mat has been tested for harmful substances and has been awarded the Oeko-Tex Standard 100 in product class 1.
