

## Instruction Manual for Yoga Studio Mats

---

### **Product Note**

You have purchased a high-quality yoga mat for yoga, Pilates, and fitness exercises. It offers optimum support, cushioning and comfort on all surfaces. In order to enjoy it for a long time and to protect any warranty claims, please observe the following information.

### **Security**

The mat may only be used on firm, level and dry surfaces. There is a risk of slipping on damp surfaces. Do not store or use the yoga mat near naked flames or sources of intense heat.

### **Preparation**

The mat may have a slight material odor when unpacked. This is harmless and usually evaporates after a few days in the air.

### **Care instructions**

Use lukewarm water and mild soap to cleaning. It can be washed in the washed at up to 60°C in the washing machine. Do not use fabric softener and do not tumble dryer.

### **Composition**

Polyester glass yarn fabric, coated on both sides with special PVC paste.

The yoga mat has been tested for harmful substances and has been awarded the Oeko-Tex Standard 100 in product class 1.
